

HOW TO USE S.O.A.P.

To begin, choose the Ready, Set, or Go reading from the daily reading guide. Before you start reading, ask God to reveal Himself to you and speak to you through His Word. Read the passage unhurriedly, noticing as many details as you can. Try to put yourself in the picture.

- Scripture – Write down a verse or verses that seem to stand out to you from the day’s reading.
- Observation – Write a brief description or summary of what is happening or being communicated in the selected verses.
- Application – Determine where you see yourself in the picture, then write a summary of how these verses affected you. How does God seem to be speaking to you and your situation in this passage.
- Prayer – Write a brief prayer to God that expresses how you are feeling about the Scripture you’ve read. Ask Him to make you mindful of the personal application throughout the day .

Try this plan for two months. If you miss a day or a few days in your reading don’t become enslaved to a schedule. Just pick it up again and continue. Remember, the objective is NOT to get through the material, but to MEET God in His Word.

Daily Bible reading starts as discipline and quickly becomes delight – we don’t know anything else that has more potential to change your life, make God become more real, or help you realize how close He is.

Bible Reading Guide

READY, SET, GO WITH S.O.A.P.

A systematic Bible reading plan will aid you in developing the discipline of daily Bible reading and journaling. The Ready, Set, Go plan gives you a choice of reading levels for each day of the year:

Ready – A brief Bible reading (5 minutes or so daily)

Set – A more extensive reading (10-15 minutes daily)

Go – A daily reading that will take you through the entire Bible in a year, including twice through the New Testament (30-40 minutes daily)

Develop as many routines as you can relating to your daily Bible reading. The routines give a sense of “comfort” to your commitment and help in the formation of a positive habit.

- Choose a regular time of day to read.
- Choose the best place available to read.
- Have an alternate plan for non-standard days or for traveling.

When you do your daily Bible reading, you will need to bring four things with you to your “reading place.”

- Your Bible in a favorite translation or you can go to the online Bible guide at www.biblegateway.com.
- A computer word processor, journal, or some paper to write on.
- A keyboard, pen, or pencil for writing your thoughts.
- A prayerful, open heart that desires to hear from God.
